40. Collective Class: All persons who are or have been employed by the Defendants as carpenters or any other similarly titled personnel with substantially similar job requirements and pay provisions, who were performing the same sort of functions for Defendants, other than the executive and management positions, who have been subject to Defendants' common practices, policies, programs, procedures, protocols and plans including willfully failing and refusing to pay required overtime wages.
41. Upon information and belief, Defendants employed approximately 10 to 20 employees or more during the relevant statutory period who Defendants subject(ed) to similar unlawful payment structures that violated applicable law.

Those similarly situated
